Sir:

In response to the Notification of Missing Requirements under 35 U.S.C. 371 mailed June 16, 2008, please be advised that the inventor gave an explanation to the spelling of his last name as follows, via email:

“Yes it is confusing. The reason is the Danish letter "ø" which sometimes gets translated into "oe" and sometimes is just replaced by "o".

I suggest

Jorgensen

Best Regards,  
Niels Erik Jorgensen”

It is, therefore, respectfully submitted that there is no name change, that the explanation provided by the inventor is in order and that the Declaration submitted be entered.

Respectfully submitted,

August 15, 2008
